SUPPLEMENTAL RESPONSE AND AMENDMENTS

Dear Sir:

In complete response to the Office Action mailed 21 March 2003, the response having been filed on 21 September 2003 with an appropriate Petition for extension of time, and the Notice of Non-Compliant Amendment mailed 3 October 2003, the claim listing including the amendments is shown on the following two pages, with the remarks following.

One additional amendment is made in this paper, to claim 8, to correct a typographical error. In all other respects, this response and the amendments are substantively identical to those filed previously.
